- l. Report of Election
- m. New Business
- n. Adjournment

The mission of the Minnesota Environmental Health Association is to provide professional development to its members, and education and information to the community, which will maintain and enhance public health and the environment in Minnesota.

MEHA Annual Membership Meeting Minutes
May 5, 2009

The meeting was called to order by President-Elect Hibberd at 8:33 am.

The roll call of officers was conducted. The following officers were present: Joe Hibberd, Angie Wheeler, Kim Carlton, Tom Sobolik, Oren Larson, Laura Scheinoha, and John Weinand.

M/S/P Sobolik/Weinand to approve the 2008 meeting minutes.

Treasurers Report

It was reported that MEHA is in excellent financial condition. M/S/P Larson/Carlton to approve the report to date.

Committee Reports

History: Manny Camilon reported that the committee has begun planning for MEHA's 50th anniversary activities. Let him know if you are interested in being on the planning committee.

Legislative: President-Elect Hibberd asked the membership for help in filling the position of Committee Chair. This committee will be tied into the marketing and outreach efforts over the next year.

Strategic Plan

President-Elect Hibberd reported on the strategic plan. The four goals are:

1. Increase participation in MEHA;
2. Establish relationships with other organizations
3. Increase visibility of the environmental health profession; and
4. Be proactive in emerging environmental health issues.

To accomplish these goals, committees were formed and reorganized. Several action steps have been accomplished:

1. A scholarship was created to send a MEHA member to the NEHA Annual Educational Conference;
2. A fourth track was added to the Spring Conference to include water supply & sewage disposal
3. We attempted to start a professional exchange program with Massachusetts;
4. We participated in the Minnesota Science Teachers Assn. annual conference; and
5. We are supporting the UM School of Public Health environmental health student group.

If you have any questions, comments, suggestions or would like to participate, please contact Joe Hibberd or any member of the Board.

Incoming Presidents Address

Joe Hibberd presented a SWOT (Strengths, Weaknesses, Opportunities and Threats) assessment of MEHA. Our strengths include over 350 members, financial stability, active and vibrant Board of Directors and committees and recognition in the public health community in Minnesota as an equal partner. Our weaknesses include shifting priorities with changing leadership, dependency on employers to allow us to participate in MEHA meetings and conferences and the lack of unlimited funding. Our opportunities include the ability to participate on the Board of Directors and on committees. Our threats include scaling back or eliminating environmental health staff and the competition for resources.

During the next year, MEHA will be working to make our profession VISIBLE. We will have an active Publicity and Marketing Committee to get the word out about environmental health. We will have an active Outreach Committee to contact our partners in public health. We will continue to provide quality educational programs to our members and we will work toward professional recognition and visibility.

Report of Election

Oren Larson reported on the annual election. The following candidates were elected to the Board of Directors:

Vice President – Rob Carper
Secretary – Angie Wheeler
Director – Solvei Wilmot
Member at Large – Fong Lor

Oren Larson called for nominations for next year's election.

President Hibberd reported that Bill Kass' vacancy created a vacancy on the Board. Frank Sedzielarz was appointed by the Board in April to fill this vacancy. President Hibberd thanked Oren Larson for his work in getting candidates to run for office. He thanked supervisors, managers and directors for allowing staff to participate in MEHA. MEHA would not exist without the support of our employers.

M/S/P Steve Olson/Bette Packer to adjourn the meeting. Meeting adjourned at 8:55 am.

Respectfully submitted,

Angie Wheeler
Secretary

Committee Reports

Awards

The Awards Committee has completed a number of items including:

- Established of an Emerging Professional Award (Sec. 20.06 of the Policy & Procedure Manual).
- Developed award nomination forms for the Certificate of Merit, Frank A. Staffenson, and Emerging Professional awards. These forms were placed on the MEHA website.
- Reviewed award nominations for the Certificate of Merit (2 nominations), and the Frank A. Staffenson award. All three nominations were accepted and awardees will be announced at the upcoming Spring AEC. Plans were also made for a Past President award to be given at the AEC to the outgoing President.
- Inscribed wall plaques, in the shape of the State of Minnesota, have been obtained for the abovementioned awards for presentation at the Spring AEC.

The committee will continue to explore new ways to publicize the awards to agencies and individuals.

Awards Subcommittee (State Science & Engineering Fair)

On March 27, 2010 MEHA presented the first annual “Excellence in Environmental Health Science” awards to high school and middle school students at the Minnesota State Science and Engineering Fair at the Crowne Plaza Hotel in St. Paul. Awards were judged by four (4) MEHA members for the best project for environmental factors impacting public health.

The award recipients in the high school division were:

- First Place: \$200 to Lisa Persson, Hopkins West Junior High School, “Which Hand Soap is Best at Inhibiting Bacterial Growth?”
- Second Place: \$100 to Sarah Harter, Blaine High School, “Fast Food Versus Sit-Down: Table Cleanliness Based on Aerobe and Coliform Tests”
- Third Place: \$50 to Brianna Peterson, Cloquet High School, “The Use of Ultraviolet Light in a Low Technology Water Purification System – Phase II”
- Honorable Mention: Certificate to Brian Zetah, Burnsville High School, “The Effect of Different Disinfectants on the Growth of *Bacillus subtilis*”

The award recipients in the middle school division were:

- First Place: \$100 to Michelle Campeau, Firedell Middle School, “How Long Does *Salmonella* Survive in Different Spreads?”
- Second Place: \$50 to Tim Renier, Holy Rosary School, “Are We Washing Our Hands Well Enough? What is the Most Effective Type of Hand Hygiene Intervention?”
- Honorable Mention: Certificate to Margaret Stover, Murray Junior High School, “Are You at a Greater Risk of Harboring *Staphylococcus aureus* If You Have a Nose Stud?”
- Honorable Mention: Certificate to Tyler Gathman, Kellogg Middle School, “What is Your pCi/L Level?”

Subcommittee Members:

- Joe Hibberd, R.S., Chair, Ramsey County
- Kim Carlton, R.S., City of St. Paul
- Nichelle Danielson, R.S., City of Minnetonka
- Terry Scheiber, R.S.

Conference Planning

To: MEHA Board of Directors

From: Laura Schmidt, co-chair
Sharon Smith, co-chair
Robert Servian, liaison

Date: April 19, 2010

Re: 2009-2010 Annual Report
Conference Planning Committee

The 2009 Spring Conference was held April 30- May 2, at Breezy Point Resort in Brainerd. The net profit was \$3680.62. MEHA did not hold a fall conference but supported the Region 4 conference held at in Okoboji, IA on October 9. The St. Cloud Holiday Inn was the location of the Winter Conference. The event on January 14, 2010 netted \$359.72. Total revenue from conferences was \$4040.34

The 2010 Spring Conference is scheduled for May 5-7 at Ruttger’s Bay Lake Lodge in Deerwood. Room reservations are greater than anticipated and 10 vendors are registered.

Minnesota Environmental Health Association

Membership

May 3, 2010

To: The Board of Directors and M.E.H.A. Membership
From: Karen Casale and Dan Disrud, Co-Chairs

Subject: 2009/2010 Annual Membership Committee Report

The Membership Committee consisted of Dan Disrud, John Tracy, Joe Hibberd, Robert Servian and Karen Casale.

Renewals have been distributed quarterly. There has been a slight decrease in membership. The Committee recruiting activities during the year included personal contact with prospective new members. The recruiting efforts this year resulted in forty-seven (47) new members being accepted into the Association during the period May 1, 2009 through April 30, 2010. Sixty-eight (68) members, however, have lapsed memberships. Our current membership is three hundred and thirty-nine (339); two hundred seventy-six (276) active members (18) are included in the lapsed memberships above and have been sent last-notices), two (2) honorary members, four (4) sustaining members; twenty-two (22) retired members, and thirty-five (35) student members. We wish to express our personal thanks to all who assisted in the membership recruiting efforts and to the Committee members.

Newsletter

TO: MEHA Membership
FROM: Lori A. Green, R.S., Editor and Newsletter Chair
DATE: April 23, 2010
RE: 2010 Annual Report

The newsletter committee is responsible for publishing the MEHA newsletter on a quarterly basis. The following issues were posted to the general membership on the association's website:

Summer 2009	June 30, 2009
Fall 2009	October 9, 2009
Winter 2010	January 15, 2010
Spring 2010	March 8, 2010

Outreach

APRIL 2010

Hospitality businesses had a rough year in 2009, so Hospitality Minnesota canceled their annual show for 2010. They are apparently working on a future show of this type for next year, but there is nothing definite yet. Outreach plans to be involved if they develop a new show.

The Committee began seeking input for possible connections with other trade or professional organizations; however, no feedback was received. Further outreach networking will be reviewed next year.

Our role of contacting vendors to exhibit at this May's MEHA Spring Conference has been very successful this year. We have approximately double the number compared to last year. We have also developed a new contact list database for future conferences.

For next year, Kyle Johnsen, MDH Fergus Falls office, has volunteered to take the lead co-chairman role for the committee, with Elliott Marston continuing as a co-chair.

Submitted by Elliott Marston

Publicity & Marketing

The Committee is taking the first steps in acquainting the public about what environmental health is, and publicizing the accomplishments of the Association's members.

After last year's Spring Conference, press releases were sent to the hometown newspapers of the Staffenson award winner and newly elected officers. In April 2010 press releases were sent to the hometown newspapers of the winners of awards presented by MEHA at the Minnesota Science and Engineering Fair.

A strategic plan for publicity and marketing was drafted, but has not been finalized. Committee member Joe Hibberd is working with a group of graduate students at Hamline University whose class project is the development of a publicity and marketing plan for MEHA. Their plan will be incorporated into the existing draft plan.

An ad hoc committee chaired by Heather Flueger developed materials for the Association's display board. Solvei Wilmot put together a display showing the different facets of environmental health. Manny Camilon is working on a display that traces the history of the Association.

Resolutions

The MEHA Resolutions Committee met on January 15, 2010. Joan Peterson, Chair, met with Secretary Angie Wheeler, President-Elect Rob Carper, Treasurer John Tracy, and Finance Committee Chair Lisa Schreifels to conduct the annual of the Policy and Procedure Manual. Revisions were adopted by the Board of Directors at the February meeting.

Respectively submitted,

Joan Peterson
Resolutions Committee Chair

Scholarship Committee

The Mary Lauren Olson Scholarship Committee has had a good year.

2009 Scholarship:

The scholarship committee awarded the 2009-2010 Mary Lauren Olson Scholarship to Ms. Elizabeth Gaston, a Master's Degree student in the University of Minnesota's School of Public Health, Division of Environmental Health Sciences. Elizabeth is pursuing a Master's Degree in Infectious Disease. This year the award was \$1500.00. She attended and was introduced at the MEHA winter conference on January 14, 2010 in St. Cloud. An article about Elizabeth was submitted and printed in the MEHA Spring newsletter.

Fund Balance:

Since 2008, we have received annual fund balance statements from MMF (Minnesota Medical Foundation- who manage the scholarship fund for MEHA) thru December 31 each year. As of this date, we have not received a statement for 2009 from MMF. The fund balance as of 9-30-2009 was \$33, 380.96. The spendable amount available, before issuing this year's \$1500 scholarship, was \$2188.95.

Golf Tournament:

The 2009 annual Golf Tournament at Breezy Point, Brainerd brought in \$1235.00. There was \$960.62 spent for golfing fees and prizes. The net income was **\$274.38** for the 2009 golf tournament.

Raffle:

The Scholarship raffle, also held during the MEHA Spring conference at Breezy Point in May 2009, was very successful. The committee supplied a number of prizes and we solicited donations from the MEHA general membership and received a number of lovely gifts. The revenue generated was **\$543.00!**

Spring Conference Booth Fees:

The Mary Lauren Olson Scholarship receives ½ of any fees collected from the MEHA Spring Conference Booth Rentals (see the MEHA Policy and Procedure Manual, section 31.03) as a regular source of scholarship revenue. We received **\$375.00** in 2009 from MEHA for ½ booth rental fees.

Scholarship Committee

The scholarship committee consists of Carlota Medus, Chair; Kris Lee; and Steven Roy. Steve Roy will step down from the committee after this year's spring conference. We thank Steve for his service to the Committee and MEHA these past 5 years. Steve has done a terrific job arranging and running the annual golf tournament. (He's also a great MC). Ms. Jill Debrito, MDH has agreed to join the scholarship committee and will be helping out with this year's tournament and officially starting in September 2010.

Respectfully submitted,

Kris Lee, REHS
Scholarship Committee Chair

Technology

Committee Members:

- Manny Camilon, city of St. Louis Park
- Kim Carlton, city of St. Paul
- Laima Dingley, city of Bloomington
- Chris Forslund, city of St. Cloud
- Joe Hibberd, Ramsey County
- Erik Solie, city of Bloomington

The Technology Committee is charged with coordinating the technology needs of the Association, including hardware, software, and electronic information flow. The Committee maintains the MEHA website (www.MEHAonline.org) and listserve.

The website is updated frequently with information about conferences, seminars, and job vacancies. The quarterly newsletter is posted to the website, and a message is sent to all members of its availability. Information about registration for each of the Association's three (3) annual conferences is also posted. A table of the most frequently viewed web pages is on the next page of this report.

The "MEHA list" is a listserve where members can post information, share ideas, and ask questions with other list members. The listserve is the official means of notification to all members regarding MEHA conferences and the newsletter.

MEHA recently joined Facebook to share information photos, links and videos among our members and fans. Facebook is a social utility that connects people with friends and others who work, study and live around them. Join us at www.facebook.com.

The year the Technology Committee will be working on an update to the website to include online payment for dues and conference registrations.

If you have any suggestions, comments, or questions regarding the website or listserve, contact Joe Hibberd at joe.hibberd@co.ramsey.mn.us.

Respectfully submitted,

Joe Hibberd, R.S. and Erik Solie, R.S., co-chairs

MEMORANDUM

TO: Members of the Minnesota Environmental Health Association

DATE: April 21, 2010

SUBJECT: Report of 2010 Election

Ballots were mailed to all members in good standing as of February 28, 2010 in accordance with the MEHA Policy and Procedures Manual, section 11.01.

Ballots received on or before April 6, 2010 were opened and counted on April 13, 2010 by an ad hoc election committee consisting of Frank Sedzielarz, Elliott Marston, Kyle Johnsen and Secretary Angie Wheeler. 162 votes were cast and 162 were counted.

The following MEHA members were elected as indicated:

Vice President:	Dan Disrud
Secretary:	Angie Wheeler
Director:	Laura Huseby
Member-at-Large:	Kim Carlton

Respectfully submitted,

Angie Wheeler
Secretary
